**Feel over run with old paper work?  
Unsure how to safely dispose of it?  
We can ease your mind, and clear your space.**

**Secure Shred** is a “new” *local* family operated business. Our services currently include secure document shredding for businesses as well as residential service. We can shred right at your doorstep with the ability for you to watch the shredding process through video technology. Soon we will also be offering “Hard-drive destruction”. We are adamant about protecting your privacy and supporting our community.

**We have shredding services to meet our customers’ requirements.**

**“We look forward to serving you.”**
